From the chairman,
Bangalore Trust Board

No 53/48 dt 2/7/48

Ltr a report, for information, in regard to giving of light-connections to the Kumara park west extension

1) The report is submitted for perusal. The Trust Board have agreed to give a guarantee to pay yearly a sum of Rs 590/- towards this. It is perhaps the duty of the local authority to give such guarantees, as the Trust Board is not expected to provide amenities and meet the cost of maintenance of extensions when they are once formed by them. It

(But as the provision of street lights cannot wait till the locality and houses are taken over by the Municipality the action taken by the Trust Board seems necessary in the circs)

2 It is true that in the usual course lighting arrangements have to be made by the Municipality & it has to pay the royalty due on the lights. In the circumstances of the case as there requested, the action taken by the Chairman, Blue Hill Improvement Trust would maybe approved by Justice the area is handed over to the city Municipality, this local body will have to meet the charges in question. Matters will have to be made clear before handing over possession of the area to the City for future maintenance etc

Respectfully submitted

SIR,

Sub - Re giving of light connection to Kumara Park West Extension

I have the honour to state that with a view to give house connections to the buildings that are under construction in Kumara Park West Extension by The India General Construction Corporation Ltd , and the Mysore Builders Ltd , the Superintendent, Power and Lighting, Bangalore, was requested to arrange for giving street connections to Kumara Park West Extension, in the first instance, so that house connections may be easily had In reply, he wrote in his letter No 8801-2 dated the 2nd June 1948, that an estimate for Rs 5,900/- has been prepared for giving 18 street lights to the locality and that as per rules of the Department, it is necessary that guarantee at 10% of the estimated amount, viz , Rs 590/- per annum should be paid and that if the Trust Board is agreeable to pay this amount every year, arrangements would be made to submit the estimate to the Chief Electrical Engineer for necessary sanction etc A copy of his letter is enclosed for favour of reference

2 This was placed before the Board at its meeting held on 26-4-48 After considering the question, the Board resolved

"That the guarantee asked for may be given "

3 I have accordingly written to the Superintendent, Power and Lighting, communicating the resolution of the Board and requesting him to take further action in the matter

I am reporting this for the information of Government
